

Adeline Montessori
Upper Elementary and Middle School
Welcome and Supply List for 2021-22

July 15, 2021

Adeline Montessori Elementary 2 and Middle School Parents/Guardians:

Change is a constant in life. This school year, at Adeline Montessori, confirms that. We look forward to a school year at a new, temporary location at St. Joseph's in Downtown Waukesha (East Avenue Campus). As always, we are excited to welcome many new students and families into our classroom community. Whether you were in home school, virtual, hybrid, or in person somewhere else last school year or in a different classroom at Adeline last year, welcome to our Adeline Elementary 2 and Middle School community.

This year will be very different for every single one of us, again, in one way or another, with a new building and a new community. What remains the same for all of us, is the opportunity to be a part of a classroom full of materials based upon the principles established by Dr. Montessori, and a community where every child is afforded the opportunity to be themselves, to build independence and discover the love of learning. It is truly an honor for us to be a part of this community with your child and your family. To get the community started, we will be delighted to hold several activities before school starts, so please stay tuned for emails during the Summer months regarding upcoming community activities.

Our Adeline E2 community will be a mix of in person and virtual students, as we will continue to offer synchronous programming. The Middle School and Elementary 2 rooms are connected and there will be activities daily where the students are both mixed and apart. Google Classroom will be our main platform for work assignments and classroom communication. Because of this, all students will be online, daily. Zoom and Google Meet will be the format for community gatherings, group lessons, student collaboration, and individual time with teachers. We will work tirelessly to ensure that every student is able to engage with each other and the teachers as needed, whether working at home or in the classroom. Our primary goal? A fun and collaborative Montessori learning environment.

Attached are two lists of materials that your child will need for the school year. Please note that one list is for items that will be needed at home for any and all virtual learning and the other is for items needed when attending school in person.

Welcome to the Adeline Community
Ms. Mindi Eineichner, Mrs. Lauren Huyke, and Miss Sarah Johaneck
